DUTIES:

Responsible for all general park maintenance and cleaning of public facilities including: restrooms, showers, vault toilets, cabins & yurts, campsites, picnic areas, trails, etc. Operates and performs routine maintenance on State owned vehicles and equipment. Assures quality customer service and facility maintenance, repair and cleanliness. Provides information and assistance to visitors. May assist with carpentry, plumbing, masonry, electrical work and transporting materials and supplies. Performs other duties as assigned.

NOTE:

This position is up to 40 hours per week and up to six months in duration. School schedules may be accommodated.

REQUIREMENTS:

- Must be at least 16 years of age
- Must possess and maintain a valid driver's license and provide a current motor vehicle report. (Include if operation of a motor vehicle is a required job task.)
- Willing to work outside during inclement weather
- Must be able to lift 50-100 pounds repeatedly during the course of a single workday
- Knowledge of power tool and hand tools preferred
- Knowledge of small engine and other equipment maintenance and repair preferred
- First Aid and CPR certifications may be required
- Must be able to work various shifts, weekends and holidays.
- Must possess strong interpersonal communication skills
- Ability to work with little or no supervision

PHYSICAL REQUIREMENTS:

This position will perform physical activities that require considerable use of your arms and legs and moving your whole body, such as climbing, lifting, balancing, walking, stooping, and handling of materials.

WORK CONTEXT:

Outdoors, Exposed to Weather —Working outdoors is essential, this position will often be exposed to inclement weather, heat and cold, rain, snow etc., must be able to hike into remote areas.

Contact with Others —Most of the fieldwork is done independently, however exposure to the public is common on State Parks

Spend Time Standing —Standing is common in the field

Coordinate or Lead Others — This position must be able to organize seasonal or volunteer crews, supervise their activities on the park

Exposed to Contaminants —During spring months, exposed to weed killing chemicals, may be exposed to exhaust or diesel fuels while repairing or running heavy equipment

Spend Time Walking and Running —Walking required when accessing road less areas, fixing fence, hanging signs etc.

Spend Time Using Your Hands to Handle, Control, or Feel Objects, Tools, or Controls —Almost every field related activity requires these activities: using your hands to handle, control, or feel objects, tools or controls.

Exposed to Minor Burns, Cuts, Bites, or Stings — Bites, minor cuts and stings are a regular occurrence when working outdoors.

Uniforms

The park may provide some uniform items. Employee will be required to purchase limited uniform items at their own expense.
