

## Eleven Mile Housing Information

Eleven Mile State Park provides outstanding accommodations for seasonal employees with an on-site, two-story house. The top floor contains two bedrooms, a bathroom, living room, dining nook and kitchen. Located downstairs are three more bedrooms, a bathroom and a utility room. Outside is a large parking area and spacious deck, providing beautiful views of the lake and surrounding mountains.

All bedrooms have a closet, clothes dresser and twin-sized set of bunk beds. Each employee will have his/her own room -- unless demand is unusually high.

The upstairs bathroom contains a sink, walk-in shower, toilet, medicine cabinet with mirror and storage cabinets for toiletries. The downstairs bathroom contains all of the same except that it has two walk-in showers.

All residents share the living room, dining area, kitchen and utility room. The living room includes a sofa, love seat, armchair, television and small library/bookshelf. The dining nook contains a table and chairs. The kitchen has a refrigerator/freezer, gas oven and range, microwave, dishwasher and lots of cabinet space. The laundry room contains a washer, dryer, sink and some storage space.

Rent, is currently \$10.00 per week plus \$5.00 per week for utilities and is deducted automatically on a bi-weekly basis from each employee's paycheck. A \$50 damage/cleaning deposit is required prior to moving in. Residents must furnish their own bedding, linens and kitchen utensils.

Smoking is prohibited inside state housing. Pets are also prohibited. The housing unit is inspected throughout the season for cleanliness of common areas and damage to state property. Any damage and/or cleaning fees will be deducted from the employee's deposit when they move out.
