

Camping Rules

- Two (2) vehicles may be parked in each campsite—additional vehicles may be parked in overflow parking.
- Maximum: 1 hardside unit (trailer, pickup camper, pop-up) and 1 tent—OR—2 tents per campsite.
- Maximum: Six (6) individuals per campsite.
- A dump station is located on the south side of the visitor center for our paying customers. It is illegal and a health hazard to dump waste water and sewage, including dishwater, anywhere else.
- The camper service buildings provide showers, toilets, laundry facilities and drinking water. Several community water hydrants are strategically placed in each camp-ground. Please be courteous of fellow campers by not staying connected to the hydrants.
- As a courtesy to other campers: All radios, televisions, and generators need to be turned off to observe QUIET HOURS which are from 10:00 PM until 6:00 AM.
- Camping permits expire at noon. Sites that are not renewed by noon may be reassigned.
- **RESTRICTION:** Upon arrival at your reserved site, there will be NO TRANSFERS to another site.
- After your arrival, park visitors needing to cancel their reservation will forfeit the first night of the remaining nights for each site.
- Fires are permitted only in the fire rings and grills provided or within self-contained camping units. Firewood collection is strictly prohibited.
- During the off-season (mid-September through March), some of the campgrounds remain open; however, the shower buildings are winterized. The vault toilets will remain open in those campgrounds. Be prepared to deposit exact change or personal checks in the self-serve brick wall located beyond the entrance station.

Directions to Jackson Lake

From the U.S. 34/I-76 interchange, take Colorado Highway 39 north for 7.25 miles through Goodrich, then go west on Y5 (follow the paved road) for 2.5 miles.

from Denver East on I-76. Take the second Wiggins' exit (Exit 66). Turn left (north) on CO 39/CO 52. Drive approximately 9 miles. Drive ½ mile past Goodrich to T-intersection. Turn left onto County Road Y.5. Stay on County Road Y.5 (It will turn north after a couple of miles.) This will take you past the south side and into the main park area on the west.

from Greeley Take Colorado 34 East. After entering Morgan County and at base of hill, turn left (north) on Colorado 144. Drive 7 miles to T-intersection at Goodrich and turn left (north). Drive ½ mile past Goodrich to T-intersection. Turn left (west) on County Road Y.5. Stay on County Road Y.5 (It will turn north after a couple of miles.) This will take you past the south side and into the main park area on the west.

from the East (Fort Morgan, Nebraska) West on I-76. Take the second Wiggins' exit (Exit 66A). Turn right (north) on CO 39/CO 52. Drive approximately 9 miles. Drive ½ mile past Goodrich to T-intersection. Turn left onto County Road Y.5. Stay on County Road Y.5 (It will turn north after a couple of miles.) This will take you past the south side and into the main park area on the west.

If we can be of any additional service, please contact any state park ranger, park staff or campground host.

Campground guidelines

Jackson Lake State Park

Jackson Lake campgrounds are provided for your use and enjoyment. Reservations are recommended for weekends and for extended stays of more than two nights. Campsites may be reserved up to 72 hours prior to your arrival. (Rule of Thumb: For Friday night arrival, reservations need to be made by Tuesday.) Campsites not reserved are sold on a “first-come, first-served” basis and must be occupied immediately. (Campers may not reserve or hold a campsite for another party by purchasing an additional campsite for them.) Please check for reservations before occupying a campsite.

Some of our regulations are included in this brochure for your convenience. A complete listing of park regulations is available at the entrance station or visitor center.

- In addition to camping fees, all vehicles are required to have a parks pass.
- Only 3.2% alcoholic beverages are allowed. Any 6% alcohol or hard liquor will be disposed of.
- For the safety of your pet, our visitors, and wildlife, pets must be kept on a maximum 6' leash at all times. Clean up after your pet. Always carry a few plastic bags with you. (To keep your park beautiful, it is helpful to pick up trash along the way.) Pets are not allowed on swim beaches. Keep pets away from other animals. The park is home to a variety of wildlife. Respect their natural habitat and keep pets away from nests and other animal homes.
- Vehicles must be kept on designated roads. All campsites are surrounded by native vegetation.
- All other state and park laws also apply. Your cooperation in keeping the park peaceful and safe is appreciated.
