

VISITOR CENTER

Conference Room and Gardens/Grounds

The conference room, at Jackson Lake Visitor Center, was built to facilitate educational and business functions for Jackson Lake State Park and for other groups (dependent upon approval by park management).

- Room Dimensions are 24' x 30'
- Equipped with eight tables and 40 chairs
- Large dry-erase board
- Large projector screen
- TV/VCR, slide projector and overhead projector available for minimal fee

SANDPIPER

Multi-Purpose Room

The Sandpiper Multi-Purpose Room, at Sandpiper Campground, was built to accommodate groups who gather for recreational and/or educational needs. Additionally, the room has a scenic view overlooking the lake.

The room's dimensions are 21' x 16' and has three round-style picnic tables which will seat 24 comfortably. The room is located within a large camper services building which houses coin laundry facilities, showers and flush toilets.
