**RIDGWAY STATE PARK VISITORS CENTER**

Here you can learn more about the rich natural and cultural history of the park and western Colorado through the outstanding books, displays and programs. Nature books for all ages and beautiful souvenirs are available, sales of which are returned to the park to support our environmental education programs. Displays about wildlife and local history can enhance your visit to our area. We also offer several excellent programs for adults and kids during summer weekends.

Nestled at the base of the spectacular San Juan Mountains of southwestern Colorado, **Ridgway State Park** is a year-round recreation paradise that offers great outdoor activities including the following:

- **Campgrounds:** Our three campgrounds have 283 campsites offering a variety of tent sites, electric hookups and full hook-up RV sites, all with a picnic table, fire ring and grill. Make reservations calling 1-800-678-2267 (303-470-1144 in the Denver area) or online at [www.parks.state.co.us](http://www.parks.state.co.us).

- **Picnicking:** Picnicking areas are found all over the park, most with shelters and grills.

- **Group Activities:** For those planning an outdoor event such as a staff picnic, family reunion or wedding, the park has a number of group activity areas that might be perfect for your occasion. Call the Park Office at 970-626-5822 for more information.

- **Trails:** The park also contains more than 14 miles of hiking trails, most of which also accommodate trail bikes. Our trails take you through many habitat zones where you can observe wildlife, photograph nature and also get some good exercise.

- **Water Sports:** For water enthusiasts, we have a swim beach with volleyball court, covered picnic tables and bathrooms. You also can enjoy boating, skiing, windsurfing and river rafting on the reservoir.

- **Fishing:** Our 1,000 surface acre reservoir has some great fishing spots accessible from shore or from a boat. You also will find excellent fly-fishing opportunities in the Uncompahgre River below the dam.

- **Winter Activities:** In the winter come to enjoy the solitude with some winter hiking, snowshoeing or cross-country skiing.
