INTERNSHIP OPPORTUNITY

LOCATION: Sylvan Lake State Park
POSITION: Summer Internship-paid
START DATE: May

Housing Available - Individuals over 18, \$40 per month.

Sylvan Lake State Park, located south of Eagle, Colorado, is seeking applicants for Summer Internships. Students wishing to gain experience in Natural Resources, Outdoor Recreation, Environmental Education, Commercial Tourism or Law Enforcement are encouraged to apply. Internships are incorporated into our paid Temporary Visitor Services, Interpreter-Volunteer Coordinator, Maintenance or Limited Commission Ranger positions.

Students will be assigned special projects or responsibilities based on their school's requirements, interests and needs of the Park. In addition to Colorado Parks and Wildlife, staff will facilitate exposure to related Natural Resource Agencies such as the US Forest Service and Bureau of Land Management. Positions generally run May through August or early September but school schedules may be accommodated.

What a great way to gain experience with a natural resource agency and spend the summer in Colorado! Explore the Park and surrounding area; including the Holy Cross Wilderness and nearby resorts of Vail & Beaver Creek.

Internships are incorporated into our paid Temporary positions. Position descriptions and applications are available online. Indicate interest in an Internship on your application for Temporary employment.
