

Colorado State Parks

Campground Host Program

Campground hosting opportunities are available at over 30 of Colorado's State Parks. From rugged mountains to gentle meadows...raging rivers to peaceful lakes...remote backcountry to metropolitan playgrounds... Colorado's State Parks offer something for everyone.

The campground host program is one of our most popular volunteer opportunities. In exchange for a free campsite and utilities, and a free volunteer parks pass (with 48 hours of service), campground hosts volunteer to meet and greet arriving campers, offer check-in assistance, perform minor maintenance tasks and promote interpretive activities.

Campground hosting is one of the most rewarding ways to make a difference at Colorado State Parks. Who else can inform the visitor when and where the fish are biting, or who built the old sawmill at the end of the trail? Many hosts and campers return year after year, sharing stories of new grandchildren, winter activities and old memories.

Become a state parks ambassador today!
